

Like Marjorie Taylor Greene - FLASH, Stumpy Feb 2023

[F] We tried to do it / [Gm] It didn't work

[C] To put all the monkeys [Bb] in the same [F] cage

[F] They didn't like it / [Gm] Not one little bit

[C] The screamed and fought and [Bb] threw a monkey [F] fit

[F] They bit each other / [Gm] They pulled each other's hair

[C] They cursed each other's mothers with [Bb] quite a bit of [F] flair

[F] Pooped where they shouldn't / [Gm] Did things we'd never seen

[C] Carried on just like [Bb] Marjorie Taylor [F] Greene, yeah they

[C] Carried on just like [Bb] Marjorie Taylor [F] Greene

[F] That's when we realized / [Gm] the mistake that we had made

[C] You can't put all the monkeys [Bb] in the same [F] cage

(No doubt it should be easy to add verses to this, but I'm lazy and really just needed to get it out of the way.)
