

Call me Ishmael - Mickey, FLASH Feb 2023

4
Call me anything

5
You want to call me

1
Do your worst

4
There's nothing

5
So bad that can befall me

1
That I haven't seen

4
You don't know where I've been

5
Call me Ishmael

1

I've lost my way

1.

And I've returned

1
Stood and watched

4
As a city burned

1
There aint nothing

4
I have learned

1
But to steer by the light of the moon

5

I've been on the ocean
On a moonlit night
Been on the losing
End of a fight
Been left for dead
And shot on sight
And I've come back for more

I've been in the jaws
And the belly of the beast
Thrown off course
Bound for the East
Been where wonders
Never cease
And ive been back again
