

Lost Dog, Jed Rivers

(A) Sometimes I feel like I ain't got no home
(D) Sometimes I feel like I'm lost and (A) alone
Sometimes I feel there ain't no place left to roam
(E) Sometimes I feel like a lost dog (A) alone

I look for the sunshine as I walk around
I smile at the people as I move through the town
I sometimes get smiles back and sometimes get frowns
I sometimes get happy when you're buying the next rounds

Sometimes I feel like I ain't got no home
Sometimes I feel like I'm lost and alone
Sometimes I feel there ain't no place left to roam
Sometimes I feel like a lost dog alone

When the nights get so lonely and I can't find my way
I go back to the past and remember the days
When you held me so tightly I felt you always would stay
But I know now that dream isn't with me today.

Sometimes I feel like I ain't got no home
Sometimes I feel like I'm lost and alone
Sometimes I feel there ain't no place left to roam
Sometimes I feel like a lost dog alone
Sometimes I feel like a lost dog alone
