

, SILENCE

Sabodog

C, G, C, G

[C] It was a night so [F] clear and [C] still

[G] The stars shown bright and [C] deep

[C] It took me so and [G] stopped me [C] there

[F] I stood and could not [C] speak

[F] It was beyond my [G] very [C] mind

[F] A feeling un-[C] explained

[C] It's all so much [F] bigger than [F] me

[G] It's bigger than any [C] man

[C] If the infinity of space [F] had a [C] sound

[G] Silence it might [C] be

[C] It moves so fast and [F] yet is [C] still

[F] It's vibrations shoot through [C] me

[F] The vibrations of silence [G] pierces [C] all

[F] No walls nor distances keep

[C] It is a [F] fearsome binding [C] force

[G] That inside me [C] sleeps

[C] It is a [F] fearsome binding [C] force

G, C,.....
