

What's Been Said , Jed Rivers

G D A X 2

V1:

G D A

It's like a game of telephone

G D A

the way we tell our stories now

G D A

Are we sure what we're saying

G D A A

Do we really know how

G D A

But what's heard in the commotion

G D A

In this noisy modern life

G D A

Is this really what we mean to say

G D A A

Words cutting like a knife

C Am

No, I'm sure that's not what I said

C Am

You say you heard it from my tongue

C Am

My statements they were misconstrued

F Bb G

I said what I really should have sung.

G D A

I have blurted and bumbled

G D A

To let my thoughts be heard

G D A

I have tried to speak plainly

G D A A

But I may not really know the words

G D A

Between my thinking

G D A

And the way the words leave my lips

G D A

They all get garbled

G D A A

They were once on my fingertips

C Am

No, I'm sure that's not what I said

C Am

I said what I really should have sung.

D D

D A

Well, the next time I tell you that I love you

[illegible]

C D
I will sing it in a song

C D
Sing it all night long

C D
Sing it oh so strong

C G D D
Sing it with a melody so sweet
