**A** **C#m7** **D** **E7**

**A** **C#m7**

I washed up here, waterlogged with  
**D** **E7**  
habits and mold

**A** **C#m7** **D** **E7**

Every day I share the same secrets I'm sold

**A** **C#m7**

Someone told me to go after that one dream  
**D** **E7**  
that you hold, and you'll never work a minute again

**A** **A(flat 5)**

Are you waiting

**Bm** **Asus4/9**

Are you waiting here like

**A** **A(flat 5)**

me Are you waiting

**Bm** **Asus4/9**

Are you waiting here

**A** **C#m7**

I don't know what I'm in search of

**D** **E7**

Heaven knows but the discipline is all that I found

**A** **C#m7**

It isn't fame, It isn't silver

**D**

It's got no answers,

**E7**

But the discipline will keep me around

**D**

Draw some lines and

**E7**

the discipline will keep us around

**A**

I don't know what

Heaven knows but

**E7**

the discipline will keep me around

**A** **A(flat 5)**

Are you waiting
