

The things we carry

(Lyrics by Jed, music by Toby) in 3/4

C G/B Am G
F C F G

C G/B
There are things that we carry
Am G
As we move through this place
F C
That can torment our soul
F G
Or bring us some grace
C G/B
There are things that we stuff
Am G
In our backpacks so deep
F C
A pocketknife, and loose coins
F G
Piled up in a heap.

G F
Oh the things that we carry
C C
And bring through our lives
G F C C
The burdens we might want to hide
G F
Our lives in our pockets tucked
C C
Away till we need them
G F C C
The things that we carry inside

C G/B
These are earthly objects
Am G
Sentimental to trust
F C
Memories golden
F G
And memories rust

C G/B
We carry within
Am G
A bag full of thought
F C
To help us continue
F G
All we have brought

G F
Oh the things that we carry
C C
And bring through our lives
G F C C
The burdens we might want to hide
G F
Our lives in our pockets tucked
C C
Away till we need them
G F C C
The things that we carry inside

C G/B
To our being so far
Am G
the life we have made
F C
Knitted together
F G
Strung into a braid
C G/B
And it's all I can fit
Am G
For one trip on this rock
F C
It weighs more when I sit
F G
So I continue to walk

G F
Oh the things that we carry
C C
And bring through our lives
G F C C
The burdens we might want to hide
G F
Our lives in our pockets tucked
C C
Away till we need them
G F C C
The things that we carry inside
