

You Only Call Me Mister, Jed Rivers

G Bm C D G

G Bm
You only call me mister when there's something I have done
C G
I sometimes wonder

G
When there's a wrong that's needing righting
Bm
Or a feud that's needing fighting

C G G
Or we just need some space on our own

G
When my buttons get pushed
Bm

And I'm feeling a bit rushed
C G G

And the old hurts arise in my soul
G

I go back to my boyhood
Bm

And my early survival
C G G

Oh this feeling is getting much too old

Em C
But when we're cooking together

Em C
And we're feeling the tether

Em C D D
And we know we were just meant to be

Em C
We can keep coming home

Em C
And keep writing this poem

Em C D
Of the vision we both want to see

G Bm C D G x 2

G Bm
You only call me mister when there's something I have done
C G
I sometimes wonder

G Bm C D G
