Ooooooooooh

I smell the sweet sugar in the grass

Ants crawl on this desk, the winds are headed west

I came alone, unless you count the dog

Head out after supper, there's a thing about this fog

Now we're sitting in this old dusty room

D Bm7 C#m7

Curtains blow but I see right

A B7 E A

Ooooooooooh

A B7 E A

Salt in the air, sand in my shoe

A B7 E A

Once around the fences and the coffee had its brew

A B7 E A

Wooden sashes creak, paint chips on the floor

A B7 E A

Bible in the dresser and a note under the door

D Bm7 C#m7 F#m7

Now we're sitting in this old dusty room

D Bm7 C#m7

Curtains blow but I see right
