

## Sun Come Up - Stumpy, FLASH July 2023

Oh the [D] sun come up / Got [Bm] nothing on it's mind  
Got [Em7] nothing to do / Got [D] nowhere to go

Don't [D] remember its name / [Bm] Doesn't try to  
[Em7] / Ain't like [D] me or you

Yeah the [D] sun come up / Looks [Bm] way down the road  
Begins to [Em7] smile / Thinks maybe it'll [D] lick the toad

[D] [F#dim] / [G] [D]

Well it [D] licks the toad / And the [Bm] world comes to life  
There's [Em7] itty bitty people walking around / There's [D] joy and strife

It [D] always starts this way / What we [Bm] are starts to fray  
'Til the [Em7] Sun gets its juice / A little [D] kick in the caboose

Oh the [D] sun come up / And [Bm] we ain't there  
We don't [Em7] have to be / It's a [D] pure mercy

We're a [D] little accident / like the [Bm] birds in the trees  
When the [Em7] Sun's on fire / There's [D] you and me

[D] [F#dim] [G] [D]

Yeah the [D] sun come up / Looks [F#dim] way down the road  
Begins to [G] smile / Thinks maybe it'll [D] lick the toad
