

Toads on the Road, Jed Rivers

C F
There are toads on the road as I drive home tonight

C G
I may squish a few as they head to their home.

C F
There are toads on the road, toads on the road

C G C
Toads on the road as I drive through the night.

There are bugs flying fast as I drive home tonight
Ending their life with a splat.
Bugs flying fast, bugs flying fast
Bugs flying fast as I drive through the night.

Their are deer crossing boldly, as I drive home tonight
Deer crossing boldly and running through fields
Deer crossing boldly, deer crossing boldly
Deer crossing boldly as I drive through the night

F C
I may squish a toad, And the deer may hit my car

F C
And bugs may be casualties of the night

F C
When I spy a skunk, Or a possum in the moonlight bright

F G
Death waits around every corner

There are toads on the road as I drive home tonight
I may squish a few as they head to their home.
There are toads on the road, toads on the road
Toads on the road as I drive through the night.
