

Ugly Face Sonnet Song - Stumpy, FLASH Aug. 2023

[A] Hey There little sweetheart

[B] I know what you're thinking

[A] I got a face like a fart

[B] Like Abraham Lincoln

[C] Ain't no way I can hide it

[D] It'll make you flinch

[C] Just my trying to describe it

[D] Makes my tongue want to cringe

[E7] Maybe we can meet at midnight

[F] On a dark night, with no moon

[E7] Maybe then you won't take fright

[F] And to you then my song I'll croon

[G] I love you, though ugly I am

[G] I love you, please take my hand...
