

## I AM A MAN

Sabodog

A , C, A , C

[A] Here I am, I've come to you  
[C] A man of songs, a man of bronze  
[A] I'm surprised, I stop in place  
[C] I see you there, I see your [A] face

[B] But, what I see, it freezes me  
[A] I come up short, I am unsure  
[B] I start to turn, perhaps to run  
[A] Feeling stunned, but quiet [C#m] comes

[C#m] It's because you don't see me  
[B] I can leave, without a sound  
[D] I can't forget, what I saw  
[A] I came so far to see you [E] here

[C#m] So many steps, so many layers  
[B] A man of clay, a man of air  
[C#m] A positive, a negative  
[B] A man of bronze, a man of [A] songs

A, C, A, C,

[A] Neither rain, nor wind, nor sun  
[C] In a hundred years, I'll still be one  
[A] Where will I be? Where will I go?  
[C] Where will I stand, and look for you?  
[A] I am a [C] man,  
[A] I am a [C] man,  
[A] I am a [C] man..[A]
