CHORUS

(A)Oh, you left me a laying on that cold icy floor  
on that (E) cold icy floor  
on that (A)cold icy floor  
You left me a laying on that cold icy floor  
(E)A waiting for that eastbound train

Oh, what d'you gonna do when your money is all gone  
When your money is all gone  
when your money is all gone  
What d'you gonna do when your money is all gone  
I'll do like I done before.

CHORUS

I'll go across the river and I'll get me some more  
Get me some more  
Get me some more  
Oh, I'll go across the river and I'll get me some more  
The way I done before.

CHORUS

Oh, my donny went to Mobile and I told her not to go  
I told her not to go  
I told her not to go  
Oh, my donny went to Mobile and I told her not to go  
Oh, they left me on that cold icy floor

Oh, they left me a laying on that cold icy floor  
On that cold icy floor  
On that cold icy floor  
They left me a laying on that cold icy floor  
Awaiting for that eastbound train.
