

She Ain't Rose (in C)

[C]She ain't Rose but she ain't [F]bad
She ain't [C]easy but she can be [G7]had
So [C]can I when she whispers in my [F]ear
She ain't [C]Rose she ain't [G7]bad and Rose ain't [C]here

She ain't Rose but she's [F]alright
She's [C]helped me through so many lonely [G7]nights
It [C]always feels so good to have her [F]near
She ain't [C]Rose she ain't [G7]bad and Rose ain't [C]here

[F]Lord only knows what [C]happened to my Rose
She [D7]packed up all her bags
And just [G7]rambled on down that ro-o-o-oad

[Solo on the chorus chords]

[F]Lord only knows what [C]happened to my Rose
She [D7]packed up all her bags
And just [G7]rambled on down that ro-o-o-oad

[C]She ain't Rose but she's getting [F]close
And we'll [C]keep on getting closer I [G7]suppose
She [C]helps them bad old memories disap[F]pear
She ain't [C]Rose she ain't [G7]bad
She's the [C]best gal I ever have [F]had
She ain't [C]Rose she ain't [G7]bad and Rose ain't [C]here
