

## IF YOU SAY I SAID

Sabodog

[Cm] If you say I said...

[Gm] What'll we do now...

[Fm] What'll we do now...

What'll [Gm] we do [Cm] now.

[Chorus]

[Fm] I said it for a rea-e-son

[Cm] I say cause' I'm scared

[Gm] In the sacred space between us

[Fm] I put it there

I [Gm] put it [Cm] there

-

[Cm] I'm hoping that you see...

[Gm] With open eyes and heart...

That You [Fm] will share with me

That [Gm] you will have a [Cm] part

[Cm] Because the loneliness I feel

[Gm] Is in no way your fault

[Fm] The things that I'm facing

Have me [Gm] knocking at your [Cm] door

[Chorus]

[Fm] I say it for a rea-e-son

[Cm] I say cause' I'm scared

[Gm] In the sacred space between us

[Fm] I put it there

I [Gm] put it [C] there

[Fm] I put it there

I [Gm] put it [Cm] there
