D

It's 3 AM

A

In time to pee

C

And wake myself

G

And dread the tea

D

A

D

That I drank so late this evening

It's 3 01

Don't really wanna rise

It's beginning to hurt

My bladder cries

I'd rather not wet my bed

It's 3 02

I toss and turn

The Pee is coming

It's starting to burn

The sheets are wet, but I got my warning.

It's 3 03

I stumble the floor

My knees are soaked

I've lost the war

I guess I am up for the morning

It's 3 04

I turn and toss

My bladder reminds me

Who's the boss

This getting old ain't much living
