

3am

3 AM they're all in bed but down

on the floor it's You and me

Pillows, blankets, sleeping bags

Your flashlight's out of battery

You didn't have to ask if I was sleeping

I always know when you want me awake

Moonbeam's like a searchlight

Let's sneak inside the fridge and find some cake

Do-do-do,Do-do-do,Do-do-do,do...

Do-do-do,Do-do-do,Do-do-do,do...

3am we're out of bed and we are never gonna sleep
