

It's Getting Better, Jed Rivers

Intro: D D G G

D

It's getting better.

G

It looks like it may be working out.

D

I mean, we're not quite there

G

Still no reason to jump and shout

A

D

But it's getting better all the same

It's getting better

The tide is turning the water taste like wine

It's almost time to jump on in

The days are feeling fine

It's getting better all the time

Chorus:

G

D

We are working on it

G

D

Working on it, working on it all the time

G

D

working on it, working on it ,

Em7

A

working on it and feeling fine

Solo over verse

Bridge:

F#m

G

We're looking up and seeing stars

F#m

G

We must be doing things all right

F#m

They called us crazies, though we're walking through daisies

G

A

It's time to join the dance

Flags are waving in the breeze

The parade has come to town

The band is playing

The captain's on board

She's buying the next round

The party has begun

Chorus:

We are working on it

Working on it, working on it all the time

working on it , working on it

working on it and feeling fine
