

Vampire in D - Olivia Rodrigo (note that original is in F)

D F#7 G Gm

D F#7
Hate to give the satisfaction asking how you're doing now

G
How's the castle built off people you pretend to care about? Just what you wanted
Gm

Look at you, cool guy, you got it
D F#7
I see the parties and the diamonds sometimes when I close my eyes

G
Six months of torture you sold as some forbidden paradise, I loved you truly
Gm

You gotta laugh at the stupidity

-----[Chorus]-----

Em A7
'Cause I've made some real big mistakes, But you make the worst one look fine

D F#7
I should've known it was strange, You only come out at night

G Gm
I used to think I was smart, But you made me look so naïve

D F#7
The way you sold me for parts, As you sunk your teeth into me, oh

G Gm N.C. D
Bloodsucker, dream crusher, Bleeding me dry like a goddamn vampire

[Verse 2]

D F#7
And every girl I ever talked to told me you were bad, bad news

G
You called them crazy, God, I hate the way I called them crazy too, you're so convincing
Gm

How do you lie without flinching
(How do you lie? How do you lie? How do you lie?)

D F#7
Oh, what a mesmerizing, paralyzing, fucked up little thrill

G
Can't figure out just how you do it and God knows I never will, went for me and not her

Gm
'Cause girls your age know better

[Chorus]

| **D** | **D** | **D** | **D** |
Ahh

[Bridge]

G Gm D A
You said it was true love, But wouldn't that be hard, You can't love anyone, 'Cause that would mean you had a heart

G Gm D A
I tried to help you out, now I know that I can't, 'Cause how you think's the kind of thing, I'll never understand

G Gm D A
[Chorus]
